

Top Dog Points System

The MGA Board has elected to revise how we award the annual “Top Dog” honor and the qualification into the annual “Top Dog Shootout”. We are converting to a points system in lieu of tracking dollars won during a tournament. We have elected to make this move for three reasons:

- Help drive participation in our tournaments throughout the year
- Develop more interest in the overall “Top Dog” standings

Points will be awarded in each flight based on the order of finish.
 Points will be awarded in each flight based on the flight with the most number of players.

Points will be awarded to every participant as follows:

Top Dog Point System

Number of Tournament Players/Teams Per Flight

		3	4	5	6	7	8	9	10	11+
Finishing Position	1st	65	75	85	95	105	115	125	135	150
	2nd	40	50	60	70	80	90	100	110	125
	3rd	20	30	40	50	60	70	80	90	100
	4th		20	30	40	50	60	70	80	90
	5th			20	30	40	50	60	70	80
	6th				20	30	40	50	60	70
	7th					20	30	40	50	60
	8th						20	30	40	50
	9th							20	30	40
	10th								20	30
	11th+									20

Hole-in-One 30 CTP + 70 pts	100
Closest to Pin	30

If there are nine players/teams in a flight, the “Top Dog” Points will be totaled from the top down. For example: In a flight with nine teams/players, the first place team/player gross and net will be awarded 125 points. The second place team/player gross and net if applicable will be awarded 100 points, so on down the scale of points.

MGA Members are encouraged to compete in as many tournaments as possible throughout the year. Depending on your placement within a given tournament you will be awarded points towards the annual “Top Dog” honor and invitation to play in the “Top Dog Shootout” for your participation in any MGA event.

Determination of Tied Scores

For awarding “Top Dog” points in the event of a tie, the Tournament Director will add up all points for the tied places and divide by the number of teams/players tied for the spot. The tied teams/players will then be awarded the same number of points. For example: If there are 2 teams/players tied for 2nd place in a 9 team/player flight, points of 100, and 80 will be added and divided by 2, with each team/player receiving 90 points.

Flight Equity

The pro shop and the MGA tournament committee does it’s best to have equal numbers of teams/players in each flight. When the flights do not contain an equal number of players the points awarded all flights will be based on the flight with the highest number of teams/players. For example: we have five flights of nine teams/players, and one flight with eight teams/players, the points awarded all flights will be based on the flight with nine team/player number.
